Boozt.com's Autumn/Winter 2013

TREND REPORT

AW13 Looks

Boozt.com presents the new Autumn/Winter 2013 collections. The colour palette this Autumn is filled with dark, rich and warm colours.

Dark navy blue, emerald green and aubergine bordeaux are the colours of the season and appear in new collections from brands like Ganni, Filippa K, Tiger of Sweden, Tommy Hilfiger and many more.

LADY
like

From leather jackets and biker boots to high heels and sheer fabrics, a feminine sophisticated style can be combined in many ways.

Office
READY

From chic city coats to more playful jackets, the perfect office attire is sought season after season. Camo prints is one of the highlights this season and can be worn even at the office thanks to innovative designs from brands like Baum und Pferdgarten. Match this print jacket with an elegant pencil skirt and you will be the envy of the office.
